INVESTING
IN THE
FUTURE
TOGETHER

The First International Innovative Investment Forum in
Ukraine!

INVESTinUA

Kyiv, November 25

Unique platform created to unite innovators, entrepreneurs, investors, government representatives and experts from around the world. The main goal of the forum is to promote the innovative development of Ukraine, attract investments in perspective projects and ensure sustainable economic growth.

**This event will be held within the framework of the Project "Supporting inclusive economic development in Ukraine by coordinating the export strategy with regional development and Sustainable Development Goals", financed by the German government and implemented by the German federal company Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH in cooperation with the Program of the United Nations Development Program (UNDP) in Ukraine.*

ABOUT US:

● "Future Strategy"

<https://strategist.com.ua/>

Consulting and expert business support, cooperation with state authorities and local self-government bodies in the preparation of strategies and projects for the restoration of territories

● "Digital Future of Education"

<https://dfe.org.ua/>

We strive to make education accessible to all students, regardless of their location, family income, gender and age, contributing to the creation of an educational ecosystem. We support the adaptation of Ukraine's education and training systems to the current EU digital education agenda

● "Ukrainian Association of Startups"

<https://startups.org.ua/>

Uniting more than 160 Ukrainian startups, we create a space for support and development from an idea to entering international markets. We unite all stakeholders in the field of innovation and help them interact
